Video – 3.4 The big word – Plagiarism…

What is plagiarism?

Plagiarism is a form of fraud and students engage in it a lot!

As you are well on your way in becoming part of the accountancy profession you should never engage in plagiarism.

Please read the attached summary so that you can understand what plagiarism is:

After reading the above document you should be well informed of what plagiarism is. Never commit plagiarism! It is fraud and you don't want to be referred to as a fraudster!

Remember you are studying hard to become part of the accountancy profession and you will be an agent for society.

Plagiarism is a matter taken seriously by both myself and the University. If you are caught plagiarising you will be prosecuted by the University and you will have bad name and reputation for the rest of your life. It’s not worth it!
